

PALEO IDAHO

May 2011

IDAHO ARCHAEOLOGY and HISTORIC PRESERVATION MONTH

Twenty-two years ago we started planning the first Idaho Archaeology Week. That was 1989. In 2011, Idaho is currently at the center of new research focusing on the archaeology of people living during the Paleo-Indian period in North America. For that reason, we celebrate Idaho's rich history in 2011 with the theme: PaleoIdaho!

Plan to attend one of the events scheduled throughout Idaho celebrating Idaho's archaeology and history. For more information contact the Idaho State Historical Society, 210 Main Street, Boise, Idaho 83702, 208-334-3847 or visit the web site: www.history.idaho.gov.
